

God's Kingdom Needs Prayer!

Not that God is uncertain about what to do next. He knows!

Yet, although He is an omniscient God, He purposefully factored prayer into the spiritual algorithm of the Kingdom structure.

Not just any kind of generic type prayer, rather, a powerful earthshaking and hell-invading type of praying.

Leaving aside the absolute certainty of The Plan from heaven's end, there are issues from our end of the spectrum that REQUIRE and DEPEND on our spiritual intervention! There are apostolic men of God that are TODAY at a spiritual crossroads, and the direction they take will have a DIRECT impact on our Kingdom efforts.

In a way, this is hard to understand because if the Church is preordained of God (and it is) and if God's overall plan cannot fail (and it can't), then it seems that we just don't need to pray with such intensity!

Never forget, while there is no failure from Heaven's end, there is always the need of intense prayer on our part to keep failure away from our earthly segment of God's plan.

It is possible to fail within the guaranteed success of God's plan.

Each one of us (of the ministry) plays a part in The Plan; each one of us is in charge of a (even if it is a small) portion of God's earthly structure. Yet, we are all under severe attack and exhausted from the battle.

When under pressure and bleeding from our battle wounds, there is a tendency for some of us to make decisions that are not necessarily in the best interests of our earthly Kingdom efforts. Then, although we may not understand why those among us flinch in battle and scatter to the sidelines (the disciples did the same after the crucifixion), these men of God are those that need our prayers right now!

I am sure as you read these words, you are reminded of the name of a great man of God that is at a crossing of roads in his ministry. He NEEDS your prayers right now... TODAY!

Peter faced such a situation. Jesus revealed to Peter that "Satan hath desired to have you"... BUT... "I have PRAYED for thee that thy faith FAIL NOT." Peter had the keys of the Kingdom (looking at it from heaven's viewpoint), yet, the failure factor was there (looking from our dimension)... the ONLY thing that prevented Peter's failure from earth's viewpoint was PRAYER!

Your anointed brother NEEDS PRAYER RIGHT NOW!

(While I appreciate all the prayers that are offered on my behalf, I do not write today asking for prayer... rather, I feel strongly in the Holy Ghost that there are those among us that DO NEED PRAYER TODAY.)

Please forward this to other Apostolic ministers!

P.S.: If you feel insecure to reveal your struggle and if you need my intense prayers, please write me... I will NOT betray your confidence and trust... I will be YOUR intercessor... I will pray the prayer that you are too weak to pray today! (My promise: No one else will know!)
