

## Only One Voice At A Time

John the Baptist was “the VOICE” crying in the Wilderness (John 1:23). His VOICE was designed and ordained of God to present “the WAY of the Lord.”

And that he did! His VOICE reached from Jerusalem to the Jordan and beyond.

Thirty-four years earlier, at the very center of all spiritual activity of the world—Jerusalem, John the Baptist’s father, of all people, was SILENCED and VOIDED by an Angel because his voice WAVERED at a climactic moment of God’s perfect plan of Salvation.

You can only have one VOICE at a time. It can be a VOICE of authority and Apostolic POWER (yes!!!), or a (non)voice of shameful, faithless SILENCE!

My prayer for 2022 is: Empower me to be a VOICE! THE VOICE! HIS VOICE in my tiny sector of God’s Kingdom.

We need to rebuke the silence. Even the ministerial anemic semi-silence that prevails all around us. Let’s be GOD’S VOICE in 2022, starting NOW!
