

THE GREATEST DANGER OF DECEPTION

Does it not come from within?

Within the organization?

Within the fellowship?

Within the church?

Within the family?

Within the circle of friends?

Would one third of the angels in heaven have been deceived had it not come from Lucifer (one of their own)?

“And there was war in heaven...”

“...of your own selves shall men arise...”

“...*in* perils among false brethren.”

“...false brethren unawares brought in...”

“...there shall be false teachers among you...”

“...certain men crept in unawares...”

“...there must be also heresies among you...”

Would not these men have preached one God, Jesus name baptism, and receiving the Holy Ghost evidenced by speaking in tongues; otherwise, they would never have gotten IN?

The best counterfeit is not a cheap imitation but a near duplicate of the real thing.

I am not advocating a witch hunt but simply stating that our relationship with TRUTH must supersede any and all other relationships!

When does a spirit of deception morph into false doctrine? Is worldliness a spirit of deception?

Many have considered it necessary to sever a relationship with family and very close friends because of false doctrine, even though some still preach one God, and Acts 2:38.

Civil wars, are by far, the most difficult to fight!
